

## COLLEGE OF SCIENCE SCHOLARSHIPS FOR CURRENT OSU UNDERGRADUATE STUDENTS

*Only one application is necessary to be considered for College of Science scholarships. Not all scholarships are awarded each year. For departmental scholarships-see appropriate department.  
A separate application may be necessary.*

~~~~~

***Alumni Physician Scholarship in Pre-Medicine:*** To an undergraduate Pre-Medical student who has received notification of admission to an accredited medical school. Selection based on scholarship, financial need, and qualities such as ability. Also four scholarships for junior or senior premedical students.

***Ralph H. Bosworth Memorial Scholarship:*** To a graduating Pre-Medical student who has been accepted for admission to an accredited medical school. Selection based on scholarship, financial need, and personal qualities. This scholarship is in memory of Dr. Ralph Bosworth, a long-time friend of OSU and team physician for the Athletic Department for many years.

***Amy Chadburn Pre-Medical Scholarship:*** Established by Dr. Amy Chadburn to provide scholarships to outstanding pre-medical students. Dr. Chadburn graduated from OSU in 1979.

***Bev and Dick Chadburn Scholarship:*** Established by the Chadburns to support a sophomore, junior or senior premedical or pre dental student in the College of Science. Bev, a 1952 OSU graduate, and Dick a 1951 OSU graduate, have strong family ties to OSU.

***G. V. Copson Scholarship:*** To a junior or senior who shows academic promise in the College of Science. From a gift of June Seeley Copson, '15, to establish a scholarship in memory of her husband, Godfrey V. Copson, '11, formerly head of the Department of Microbiology.

***The Dean's Scholarship:*** To an outstanding College of Science student based primarily on academic excellence without regard to a student's major or non-academic characteristics. Financial need may be considered, but is not required. Established by Karen and Ken Jones.

***Samuel J. Diamond Scholarship:*** Preference given to students studying a field of science related to ecology, shows high scholastic achievement, and has financial need.

***"Doc" Gilfillan Scholarship:*** Awarded to a student showing financial need and majoring in the natural sciences, including pre-professional health and teaching programs. Francois "Doc" Gilfillan was Dean of the College of Science from 1938 to 1962. A highly respected leader, "Doc" played a key role in the early development of the College of Science. This scholarship was established to commemorate his life by one of his students, Dr. Anton Postl, who had a long career at Western Oregon University.

***Science Scholars Fund:*** For outstanding students in any science major.

***Augustin & Rita Gombart Medical Scholarship:*** To deserving junior or senior students in Pre-Medicine. Selection is based on scholarship and financial need.

***Haberman Premedical Scholarship:*** To a junior preparing for medical school with at least a 3.75 GPA and financial need.

**Jesse Hanson Scholarship:** From a bequest of Jesse Hanson for deserving students in science.

**Powis L. & Winifred C. Heitmeyer Scholarship:** To a science student with an outstanding love of learning, at least a 3.25 GPA, and at least 15 credits completed at OSU.

**Cyril R. Herrick Scholarship:** An award to the outstanding senior student in Marine Biology.

**Clara & Fred Horne Scholarship:** For an outstanding sophomore or junior woman.

**International Science Student Travel Scholarship:** For students pursuing an international degree in the College of Science.

**Johnson/Sparks Pre-Dental Society Scholarships:** To an outstanding Pre-Dental student.

**Merrill Family Foundation Scholarships:** Chuck (OSU 1963) and Kay Merrill, along with their daughter Lisa and son-in-law Lee Sickler (OSU 1990) manage a family foundation that values education. They support generous scholarships in biology, botany, and geosciences for promising juniors and seniors who demonstrate high scholarship. (22 scholarships awarded in 07-08)

**Mike O'Brien Memorial Scholarship:** To outstanding Pre-Dental students.

**ODS Companies Scholarship:** To support Pre-Dental students.

**George and Marthel Porter Premedical Scholarship:** Awarded to support a sophomore, junior or senior showing some financial need.

**Elizabeth Reeves Scholarship:** To a sophomore or junior pursuing a degree in the Life Sciences demonstrating involvement and leadership in extracurricular activities and an aptitude for research.

**James A. Riley, M.D. Health Occupations Scholarship:** To a junior pursuing a health related profession; must have at least a 3.25 GPA. (Corvallis Clinic Foundation)

**Southern Willamette Valley Dental Society Scholarship:** To deserving Pre-Dental students.

**Jeffery and Kimberly Spathas Pre-Dental Scholarship:** Established by Dr. Jeffery and Kimberly Spathas to support a pre-dental student. The Spathas' completed their undergraduate degrees in 1983.

### **Departmental Scholarships**

#### **Biochemistry/Biophysics**

**Ray & Fran Cripps Scholarship:** To a junior or senior in the Department of Biochemistry & Biophysics who has expressed a likelihood of seeking a career in a field related to cancer research.

**Mary Hutchins Hohner Scholarship:** For an outstanding junior or senior Biochemistry/Biophysics student showing interest in cancer research.

**Donald MacDonald Scholarship:** To a junior or senior in the Department of Biochemistry & Biophysics who has demonstrated ability and has a desire for a career in science research.

**Woodstock Scholarship in Biochemistry and Biophysics:** Established by Carol Lee Woodstock to support on outstanding student in Biochemistry and Biophysics. Carol Lee graduated from OSU in 1981.

### **Botany**

**Charles & Helen Fulton Memorial Fund:** Awarded to Botany majors and for undergraduate research projects where exceptional academic achievement and leadership has been demonstrated.

**Thomas C. Moore Memorial Scholarship:** A memorial fund to assist students in Botany and Plant Pathology.

**Jean L. Siddall Memorial Scholarship:** To a student majoring in Botany & Plant Pathology who is studying rare and endangered plants.

### **Chemistry**

**Peter B. Culter Memorial Scholarship:** To a junior or senior in the Department of Chemistry with at least a 3.0 GPA.

**Carroll W. DeKock Scholarship:** To first and second year students who are Chemistry majors.

**Hach Scientific Foundation Chemistry Scholarship:** For outstanding chemistry majors who have demonstrated high academic achievement and aspiration to make a contribution to the chemical/teaching profession.

**Milton Harris Scholarship:** For students who show exceptional academic achievement and leadership, and demonstrate the potential for a promising career in Science.

**Linda Mae Oleson Scholarship for Excellence in Chemistry:** For a full-time senior majoring in Chemistry, with a 3.5 GPA or higher and demonstrated potential for a successful career in chemistry.

**Colleen Spurgeon Scholarship:** To an outstanding student in Chemistry.

### **Environmental Sciences**

**Environmental Sciences Scholarship:** For students majoring in Environmental Science.

### **Geosciences**

**Award for Excellence in Geology:** To an outstanding Geology graduating senior.

**Samuel M. Evans, Jr. Memorial Fund:** To a sophomore or junior in the Geology Program who is nominated by the faculty of the department and has demonstrated evidence of scholarship achievement & professional motivation during middle stages of his/her academic career.

**Christian John Hunt Memorial Scholarship:** To an undergraduate majoring in Geography. For a student who has a high degree of integrity, reflecting honesty and a respect for other people, who will constructively aid the study of geography. Established by Mr. Jack Hunt in memory of his son Christian John Hunt.

**Jess Johnson Undergraduate Student Writing Award:** To recognize a geology major who has shown aptitude for geology.

**Earl L. Packard Achievement Award:** To a deserving, scholarly, and professionally motivated undergraduate senior in Geology.

**Arthur Parenzin Geography Scholarship:** To a new undergraduate student in Geography. Renewable with satisfactory progress toward their degree each year for four years (two years for transfer students).

**Amanda Prewitt Award:** To recognize a female sophomore or junior geology major to encourage the pursuit of a career in the earth sciences.

### **Mathematics**

**Harry and Molly Goheen Memorial Scholarship:** Awarded to full time students majoring in Mathematics who show promise as a scholar, scientist or teacher in the field of Mathematics. This award is given in alternate years by Mathematics and by Computer Science (i.e. Math in 2005, Computer Science in 2006, etc.).

**Edward H. Stockwell Mathematics Scholarship:** Established by Dr. Stockwell's family in his memory, this award is intended to benefit an undergraduate mathematics major.

### **Math/Physics**

**Paul Copson Memorial Scholarship:** To a junior or senior in the Department of Mathematics or Physics, who has shown good character, promise in scholarship, and general scientific aptitude.

### **Microbiology**

**T.R. Aspitarte Scholarship:** To a student in Environmental Microbiology.

**Paul R. Elliker:** To an outstanding junior or senior in Microbiology.

**Eleanor G. Ford Memorial Scholarship:** To a junior majoring in Microbiology demonstrating potential for a career in Public Health Microbiology.

**Helen Alford Hays Women in Microbiology Scholarship:** For undergraduate Microbiology majors with satisfactory academic standing; women given first consideration. Minimum GPA is 3.0.

**Donald & Barbara Gamberg Overholser Scholarship:** To an outstanding junior student majoring in Microbiology, to be chosen by the scholarship committee with recommendations from advisors, instructors, and faculty.

**Mark H. Middlekauf Scholarship:** To outstanding junior or senior Microbiology majors who are also performing undergraduate research projects.

**Joseph E. Simmons Memorial Scholarship:** To worthy and promising students in microbiology. Established by the widow and friends of the late Professor Joseph E. Simmons, formerly head of the Department of Microbiology.

### **Physics**

***David B. Nicodemus Memorial Scholarship in Physics:*** Awarded to full-time undergraduate students in Physics.

### **Zoology**

***John & Diane Howieson Scholarship in Zoology:*** Awarded to full-time students majoring in Zoology who show promise as a scholar, scientist, or teacher in the field of zoology.

### **Other Scholarships**

***Margaret Dowell-Gravatt, M.D. Scholarship:*** Awarded to ethnic minority undergraduate women enrolled in Zoology, Microbiology or prehealth. (Apply through OSU Foundation.)

***Sally Hicks-Runes Scholarship:*** To an incoming College of Science student chosen from the departments of chemistry, physics, microbiology or mathematics. (Full list of attendance. Administered by Office of Financial Aid.)

***Dora Krueger Memorial Scholarship in Preveterinary Medicine:*** From a bequest of Dora Krueger for students in Pre-Veterinary Medicine. Awards made to sophomores, juniors, or seniors on the basis of character, scholarship, and need. (Apply through the Department of Animal Sciences.)

***Arthur Parenzin Geography Scholarship:*** To a new undergraduate student in geography. Renewable with satisfactory progress each year for four years (two years for transfer students).
