Instructions for setting up the online homework

1. Go to the website www.coursecompass.com
2. Click on “register” for students
3. Choose “Get access to a new course” and click “next”
4. Enter the appropriate course ID listed below and click “find course.” **Make sure your enter the course ID for your section of 112.**
5. Choose “Access Code” and the page will allow you to type in the code from your textbook. (Each student has a different code and must use his/her own access code.)
6. Review the license agreement and click **I Accept.**
7. Indicate whether you already have a Pearson account:
   - If not, select **No** and follow the instructions to create your login name and password.
   - If you do, select **Yes** and enter your login information.
   - If you're not sure, select **Not sure.** Enter your email address and click **Search.** If you have an account, you will receive your login information by email, and you can change your selection to **Yes.** If you do not have an account, change your selection to **No** and create your login information.
8. Enter or confirm the information requested on the Account information page:
   - Your name and an email address that you check regularly
   - School Location: Select your school country and, for schools in the U.S., enter the zip code 97331. From the resulting list, select your school name.
   - Security question: Select a question from the drop-down list; then enter the answer.
9. Print the Confirmation page to keep a record of your registration and enrollment information, your login name, and the email address used for your account.
10. Click **Log In Now** to access your new course.
11. Take some time to familiarize yourself with the online environment and complete the orientation homework assignment called homework 0.
