Textbook Options for MTH 112 at Oregon State University, Fall 2009

1. Purchase a hard copy of the text *Trigonometry with Modeling and Visualization* 4th edition. This includes an access code for CourseCompass.com
Price: 84.64 New

2. A MyMathLab (CourseCompass) access code can be purchased from the OSU bookstore without a hardcopy of the book. You may need to ask an employee for assistance in doing this. **Note: This would expire after fall term and you would not have a book to “sell back” or to use for future reference.**
Price: 69.50

3. You can also purchase an access code from the publisher during the registration process. **Note: This would expire after fall term and you would not have a book for future reference or to sell back after the term.**
Price: 70.00
