MTH 252 Midterm #1 Information

- **Date:** April 20, 2010 (Tuesday evening)

- **Time:** 6:00 – 7:20. The exam will begin promptly at 6pm and will end at 7:20 sharp. You should arrive to your testing location a little before 6 to maximize your text taking time.

- **Location:** Your testing location depends on your lecture time

<table>
<thead>
<tr>
<th>Lecture Time</th>
<th>Testing Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>1:00 (WNGR 153)</td>
<td>GLFN AUD</td>
</tr>
<tr>
<td>2:00 (KIDD 350)</td>
<td>CORD 1109</td>
</tr>
</tbody>
</table>

- You are permitted a 3x5 note card, handwritten, both sides, with any thing that you want on it and a non-graphing calculator.

- The exam covers sections 5.1 – 6.4

- **Things for review:**
  - You should review all of the problems (check and practice) from homework assignments 1, 2, 3 and 4.
  - You should review all of the examples that we have done in class.
  - You should review the problems from the concepts quiz.
  - **Extra Review Problems:**
